**REQUEST FOR TECHNICAL ASSISTANCE
APPLICATION**

In order to obtain Technical Assistance from BBEDC, this application must be filled out and submitted to BBEDC for approval. BBEDC will then review this application, and if approved will notify the applicant, and the Technical Assistance team to proceed with the assistance.

Technical Assistance means private consulting assistance provided to BBEDC entities or residents. Technical Assistance can be provided to "assist" the entity in guidance of developing plans, forecasts, budgets and proper applications packages. The entity or individual must provide basic information and insight to the Technical Assistance team as requested.
