

BBEDC Salmon Camp Coordinator

The Bristol Bay Economic Development Corporation (BBEDC) invites letters of interest and resumes from individuals with who wish to serve as Coordinator for BBEDC's annual Salmon Camp. The Salmon Camp Coordinator will report to the Education, Employment & Training Director and along with the Salmon Camp Education Director, implement three separate hands-on field-based learning experiences for 6th through 12th grade students from around the Bristol Bay region.

Camp Purpose:

Salmon Camp students are immersed in hands-on, true-to-life scientific inquiries in ichthyology, entomology, limnology, and environmental science. Days are spent collecting data in the field while evenings are spent analyzing data. BBEDC promotes fisheries research and management as a potential field of study and future employment through participation in Salmon Camp.

Qualifications:

- Eighteen years old or older;
- Ability to operate small boat and outboard motor;
- Excel at quickly developing positive student report;
- Able to effectively communicate with students from various communities around the Bristol Bay region;
- Familiarity with Bristol Bay salmon biology and management;
- Capable of lifting 50 pounds;
- Physically able to work outdoors in inclement weather;
- Capable of preparing meals;
- 1st Aid/CPR desired;
- Valid Alaska Driver's License;
- Pass the background check and drug screening to the satisfaction of BBEDC.

Responsibilities:

- Assist in selection of students attending camp;
- Assist in creation of camp schedule and coordination of camp logistics;
- Assist with instruction both in a field and classroom setting;
- Assist in meal planning, preparation and purchasing supplies;
- Supervise students attending camp;
- Operate small boat and outboard motor around Lake Aleknagik;
- Provide night supervision in boys cabin.

Compensation:

- \$16.25 per hour
- ~165 hours overtime anticipated
- Pre-determined number of days: June 18th – August 3rd, 2018
