

# 2021 BBEDC Community/Group Training Application

The Community/Group Training program is offered to BBEDC village, city, and borough governments and accredited or known training providers to provide training opportunities that are fisheries-related or deemed capacity building for BBEDC CDQ residents seeking new or enhanced skills related to their fishing operations or their employment. - Class/Program is fisheries-related
- Class/Program will benefit the community or region
- Class/Program is vocational or considered capacity building in nature
- Class/Program will assist to enhance employment skills and/or opportunities of region residents

In order for an organization to receive Community/Group Training funds, this application must be filled out and submitted to BBEDC for approval. Upon approval, BBEDC will notify the applicant. *Approved applications must provide a list of class participants and the community they reside in with an invoice for reimbursement, including total cost per participant.*
