

Fisheries Habitat Protection Grant

Bristol Bay Economic Development Corporation

Box 1464 Dillingham, AK 99576 907-842-4370 or 1-800-478-4370 Fax 907-842-4336 or 1-888-325-4336

BBEDC is offering limited grants to support organizations and individuals who are working to protect the habitat that sustains the Bristol Bay fisheries. Specifically from unsustainable development from large scale metallic mining.

Grants of up to \$5,000 are available to support individual endeavors, and larger awards are available for organizations based in Bristol Bay. Grant distribution will be project specific, and require the applicant to provide a project narrative, budget, time table for completion, and reportable, deliverable outcomes. Interim reports and updates will be mandatory upon BBEDC's request. Funding is limited, and all proposals are due by **April 1, 2022**. For more information on how to apply, contact Gary Cline or Anthony Zoch in the Regional Fisheries Department by phone at 907-842-4370 or 1-800-478-4370, or email Regionalfish@bbedc.com.
