

Communities looking for funding!

Keep up the momentum from last month's BBNA/BBEDC Community Funding Workshop!

Resources from the Workshop

Slides, recordings, grant technical assistance tools, and more can be found at
<https://bbna.com/grant-writing-workshop-2022/>

Grant Assistance Hotline
call today at (877) 902-8455

Call the hotline for questions, resources, and technical assistance on EDA funding opportunities and tools such as application checklists, sample application language, a suggested timeline, and more.

What about the Infrastructure Bill?

Call the hotline above and provide your email address to get on a listserv with updates about the bill. These programs are still in the works, and you will know more once we know more! Preliminary information can be found at <https://www.whitehouse.gov/build/>, specifically check out the downloadable excel sheet of all upcoming opportunities.

BBEDC Grant Writing Assistance

Available to BBEDC tribal and city government organizations
